

## Members

### Update on lockdown rules

The club will abide by the government guidelines in liaison with the Southwater Country Park Wardens.

Until further notice, only 6 members can be on the jetty at any one time and must ensure they keep to the 2 metre rule.

The key can be collected from the Watersports staff.

The wardens have asked that someone is informed of members being there and then leaving for safety reasons.

As the country park is run by HDC we need to ensure that we liaise with the wardens and take on their rulings for the use of the water.

Please note that the committee are in communication with the wardens to ensure we are kept updated.

Also be aware that if the Watersports need to use the jetty they do get first option of using it. We will need to work around them and with them as we have done over the last few years.

Hopefully over the next few weeks we will be allowed to relax the ruling given to us.

In the meantime, stay alert and stay safe and keep your social distancing.

The committee.
